PROFILE

Motion Graphics Designer & Video Editor with 3+ years of experience in After Effects and Premiere Pro, creating story-driven animation, AI-assisted video, and polished edits from storyboard to final delivery. Experienced in marketing videos, explainers, and social content that improve audience retention and brand visibility.

WORK EXPERIENCE

Motion Graphics Designer & Video Editor (Remote)

Jun 2023-Sep 2026

Adren Design

- Designed and animated video and graphic content for marketing campaigns, **increasing viewer retention by 20%**.
- Produced explainer videos and social media animations that boosted brand visibility and engagement.
- Created AI-generated videos and visuals for campaigns, refining them with After Effects compositing and motion design for a polished, on-brand finish.
- Edited marketing, explainer and social videos end to end, handling cuts, pacing, transitions, sound sync and captions for a clean, consistent final cut across platforms.
- Partnered with cross-functional teams to turn briefs and storyboards into cohesive visual narratives.
- Streamlined the animation production workflow, **cutting project turnaround time by 15%**.
